

Domaine de la Colombette

François et Vincent PUGIBET – *Vignerons*

FICHE TECHNIQUE

Domaine La Colombette **Merlot-Cabernet Bio**

Type : Organic Red wine 2012
IGP Pays d'Hérault
Grape varieties: Merlot & Cabernet
Alcool : 12° vol.

In the lower part of the vineyard which is closest to the volcano, the sandy soils are well suited for the merlot and the Cabrenet Sauvignon. The grapes are picked at full maturity in order to best express the aromas of these varietals. Cabernet-Sauvignon, Cabernet-Franc, Merlot and just a little bit of Petit verdot.... A wine in memory of my happy years spent studying in Bordeaux.

TASTING NOTES :

This wine has a beautiful ruby color with purple highlights, a bouquet combining stewed fruit with spicy notes on the palate, vanilla, soft tannins and a well balanced finish.
